

A neat Italian scooter from India

There's no end to what Meccano will do! Just look at the ingenious way a Meccano enthusiast in India made this perfect model of a Lambretta scooter, with every detail just right!

This is yet another of the marvellous models that are made by Meccano enthusiasts round the world. Original, ingenious; simply clever or cunningly detailed; practical, entertaining, educational . . . lots of descriptions apply to these masterpieces, and you can build them for yourself.

If you are already a Meccano enthusiast, you'll know what we're talking about, and how to extend your Meccano with the conversion sets. But if you have yet to discover the thrills of building with Meccano, there are ten fabulous sets that you should know about . . . from 15/3. (If dad's a Stockbroker, we have one set at £56.10.0.) These are complete with instructions for making hundreds of models that really work.

We should like you to write about any models you've made which you think would be of interest to other Meccano enthusiasts round the world. Please send photographs and descriptions to Meccano Ltd., Binns Road, Liverpool 13.
